

WELCOME TO THE CRAFT BEER CAPITAL YOUR OFFICIAL GUIDE

From parts domestic and foreign, beer lovers converge on Wellington every year to experience New Zealand's craft beer culture at its best. Nowhere else in the southern hemisphere will you find so many beers compressed into a city of such modest size.

Wherever you find yourself drinking, you're only a short walk away from the next great pub or brewery and if that sounds too strenuous, New Zealand's best bus network will happily do the legwork for you.

Craft Beer Capital is made up of over 20 venues including bars and breweries. We've spread these across several suggested craft beer bar trails, largely negotiable on foot. Collect a stamp from each venue and if you manage to complete a trail, you'll be able to take home prizes of genuine Craft Beer Capital merchandise in triumph.

Enjoy the beer, enjoy the hospitality, make sure you drink responsibly and please, stay safe - cheers!
