

WELCOME TO THE CRAFT BEER CAPITAL YOUR OFFICIAL GUIDE

Wellington is New Zealand's Craft Beer Capital. Nowhere else in the southern hemisphere are you able to find so many brew pubs and beer bars compressed into a city of such modest size. Our city may be small but we're not modest about our beer. It's award-winning and we love it. Wherever you are, you're only a short walk away from the next brew pub or beer bar. You can jump on a bus or into a rideshare, and arrive at our suburban breweries and bars in a matter of minutes. There's no need to drive around the coolest little capital.

Craft Beer Capital brings together all the finest craft beers Wellington City has to offer. We're offering you some nice rewards for your experience too, collect eight stamps from any brew pub or beer bar and get yourself a free Tee Shirt and Certificate! If two of your stamps are from suburban venues, you'll be taking home even more swag!

Have fun and stay safe!
