

Every year in March, brewers have a once-a-year opportunity to obtain hop flowers fresh from the bine. These fresh hops, with all their fragile aromatic oils intact, are rushed by air, road and sea to an awaiting brew kettle.

It's a race against time to use the little green gems before they wilt, but the end result is worth it.

Hopstock 2024 is a celebration of the wonderfully aromatic fresh hop beers produced with this year's harvest. Hop on the trail and see how many stamps you can collect over the festival, now running for the month of April. Collect 15 or more stamps to be in the draw to win bar tabs, merchandise and other prizes.

Head to our website at [www.hopstock.co.nz](http://www.hopstock.co.nz) to submit your stamped brochure. Winners will be contacted via their provided email address. Drink responsibly! Every beer is available as a taster pour. If you're not drinking, you can collect Hopstock stamps for food and non-alcoholic beverages at the various venues. Water is available everywhere so please stay comfortably hydrated.

## Fresh Hop Tips

Help us keep the live Hopstock beer list up to date by letting us know if a venue has run out of their Hopstock beer.

(If they've run out, you'll still get a Hopstock stamp for any purchase).
